

ThinkSystem ST550 2.5" SATA/SAS 4-Bay Backplane Kit

This document provides important information about the ThinkSystem ST550 2.5" SATA/SAS 4-Bay Backplane Kit.

The option package contains the following items:

Notes:

- Some package items might be assembled together for easy shipping.
- Fan 3 is required after the 4-Bay Backplane Kit is installed. If your server does not come with Fan 3, purchase the front fan option before you install the 4-Bay Backplane Kit. The front fan option name is ThinkSystem ST550 Front Mid Fan Module for 4x2.5" ODD Conversion.

Store the documentation for future reference. For information about installing the option product, refer to the *Setup Guide* for your server. The most up-to-date *Setup Guide* is always available for download at: <http://thinksystem.lenovofiles.com/help/index.jsp>
